

Blanket Student/Athletic Accident Insurance

Attention: Parents/Guardians

The District has a BLANKET insurance policy for those students taking part in our various UIL athletics and activities programs. This policy is designed to assist with payment of medical bills incurred due to UIL/Vocational/Athletics related injuries/accidents. It is NOT STRUCTURED to pay all medical costs that are incurred due to injuries that occur.

However, special arrangements have been made with some medical providers and facilities to take full assignment on your insurance and that which the district provides. For a list of these facilities, you may go to the Texas Kids First website and search through the "Provider Directory" at www.TexasKidsFirst.com.

There are also VOLUNTARY policies that you can purchase in addition to this Blanket Policy. The district has brochures that the students can pick up or apply online at our website.

If you have any questions, please call Texas Kids First toll-free at (800)388-5620, or visit our website: www.TexasKidsFirst.com.

(Sign and Return to School)

I have read and understand that the school has purchased a Blanket Accident Insurance Policy that covers injuries/accidents that occur in athletics and UIL activities. I understand that this policy does not cover 100% of the bills that are incurred due to an accident/injury that occurs. The balance (if any) is my responsibility.
